Baseline ImPACT Test Instructions

**These instructions can only be used for baseline impact testing!*

1. Open either Safari or Google Chrome; avoid using Firefox if possible.
2. Go to: <https://www.impacttestonline.com/testing/>
3. In the “Customer Code” box, type: **M5YAYWNEZI**
4. Click: “Launch Baseline Test”
5. *** The test will ask if you want to skip the additional demographic section. During a Baseline Test you should **NOT** skip that section.***
6. When you finish the test, send an email receipt to *your email* so that you can access your Passport I.D. in the future.
