#### TERMS AND CONDITIONS

You may wish to consult with the Plan administrator or a professional tax advisor before taking a payment from the Plan.

The withdrawal effective date will be the date our designated location has received the request and any other required documentation or forms in good order.

For purposes of calculating the amount to be withdrawn, the value of the individual account will be determined after the final close of business of the New York Stock Exchange (NYSE) on the date good order is determined. A valuation date is any normal business day, Monday through Friday, that the NYSE is open.

Payment is generally made within 7 calendar days after receipt of the withdrawal request in good order.

All withdrawals may be subject to one or more of the following: Voya contractual fees, deferred sales charges or market value adjustments. There may be withdrawal restrictions on certain funds (please refer to the fund prospectuses). In the event you request a full withdrawal of your account value, any amounts invested in the Fixed Plus Account will be paid in five annual payments, according to a predetermined payment schedule. If the Fixed Plus Account is available through your employer's plan, you can find information pertaining to the Fixed Plus withdrawal process either in your contract prospectus or contract information booklet.

For partial withdrawals where a specific dollar amount of withdrawal has been requested, all charges and adjustments will be deducted from the remaining balance of the account and the check will be for the amount requested, less any applicable withholding for federal or state income taxes. For any other full or partial withdrawal, all charges and adjustments will be deducted from the withdrawal amount requested on this form.

Amounts will be withdrawn from each investment option in the same proportion as its value is to the total value.

6. OUTSTANDING LOAN INFORMATION (Complete this section only if you have an outstanding loan.)
I wish to continue making repayments to my loan by maintaining the minimum cash value in my account to keep the loan active. (Only if allowed by the provisions of the Plan document.)
I no longer will be making repayments to my loan. I understand that if I elect this option my outstanding loan balance will be considered taxable.
If a portion of the account is surrendered and no election is made, it is our understanding that you deemed to have elected the first option above.
If applicable and 100% of the account is requested, it is our understanding that you deemed to have elected the second option above.
7. TAX WITHHOLDING
Federal Withholding
Regardless of whether or not federal or state income tax is withheld, you are liable for taxes on the taxable portion of the payment. If you do not have a sufficient amount withheld, you may be subject to tax penalties under the Estimated Tax Payment rules. An election made for a single non-recurring distribution applies only to the payment for which it is being made. For recurring payments, your withholding election will remain in effect until it is changed or revoked. You may change or revoke your election at any time prior to a payment being made by submitting IRS form W-4P. Non-resident aliens are subject to a mandatory 30% withholding rate unless they are eligible for a reduced rate or exemption under a tax treaty and the required documentation is submitted.
Eligible rollover distribution – 20% withholding: (See the attached Special Tax Notice.) Distributions you receive from qualified pension or annuity plans that are eligible to be rolled over tax free to an IRA or another qualified plan are subject to a flat 20% federal withholding rate. The 20% withholding rate is required, and you cannot choose not to have income tax withheld from eligible rollover distributions. You may elect withholding in excess of the mandatory 20% rate.
Federal Withholding Instructions:
Mandatory 20% withholding will be applied.
Additional amount you want withheld from your payment(s) \$(Note: This amount is in addition to the standard federal withholding rate applicable to your distribution.)
State Withholding Instructions:
Resident state for tax purposes:([If your current physical and/or mailing address is outside of your state of legal residence for tax purposes, please enter your tax state here. If no U.S. state or territory is on record and one is not specified, we will presume this income is not reportable to any U.S. state or territory.)
DO NOT withhold any state income tax unless mandated by law.
DO withhold state taxes in the amount of \$ or % (If you make this election, a dollar amount of percentage must be specified and cannot be less than any required withholding.)
If you do not make an election or if your state requires a greater amount of withholding, we will withhold at the rate specified by your state of residence for the type of payment you are receiving. In some cases, your state specific withholding election form is required to opt out of withholding or to choose a rate other than the state's default rate. Refer to the attached State Income Tax Withholding Notification and/or your State Department of Taxation for details.
