

Bus Transportation Information

For Wellesley residents, **free transportation** will be provided for students in Grades K-6 to and from the regular day programs of the Wellesley Public Schools. **Students must live 2 miles or more from the school serving his/her home.** Transportation will **not** be provided to the elementary students attending a school as **open enrolled**.

Fee-based Optional School Bus Transportation is available for all non-bus eligible students, providing the sign-up deadlines are met. Information will be sent via email from the Transportation Department on or about mid-March to current WPS students. Incoming K's and new families are encouraged to contact the Transportation Department.

For more detailed information, please go to the WPS homepage > families > transportation. To contact the Transportation Department, please call:
