

Dear fifth grade students,

Congratulations! You have made it to fifth grade! :) We are looking forward to working with you this year. It will be an exciting year for all of us full of new experiences and adventures.

We will be contacting you and your family in the coming week. We look forward to finding out what you have been doing over the past few months and about how you are feeling about the upcoming school year.

Fifth grade is a transformative year in many student's educational careers. We are excited to help make this year one you will remember.

We will be in touch! In the meantime make sure to take time daily to exercise your body and your mind.

Best wishes,
5th Grade Team

Joanna Doyle
Anthony Moretti
