7:00 PM to 7:30 PM

Virtual Zoom Meeting

Our kindergarten teachers and Mr. Martinez will introduce themselves and discuss the kindergarten program. There will be a question and answer period following the presentation.

Delayed due to COVID: (This evening also provides an opportunity to meet the parents of the other incoming kindergarteners and to tour the school.)

This is an informative evening for both new and returning parents.

Schofield School Kindergarten Screening

Postponed: Date TBD
8:00 AM to 12:00 Noon

(You will receive an appointment in the mail for your child's screening. You do not need to call to schedule.)

Massachusetts state law mandates that all children entering Kindergarten undergo a screening to help determine their learning strengths and any areas in need of development. The assessment is designed to be a brief survey of your child's progress in the area of speech and language, and fine and gross motor skills. It takes approximately 15 to 20 minutes to complete.

Just prior to the opening of school, each kindergarten student will have a chance to walk through the school with their parents, go to their new classroom, and meet their teacher* and classmates.
