

How will I know if school is cancelled?

- Wellesley Public Schools uses the School Messenger System to alert families of weather closures and other time-sensitive information.
- In the event of an emergency, such as a weather-related school closing, each family will receive a phone call with information on the emergency. The number we use is the number we have on file in the office and in Power School.
- If your number has changed, please notify the office as soon as possible.
- **If your number has changed, you may not be in the system.**
- **If you do not receive a call and you think there may not be school, due to the weather, please turn on the television or radio news stations.**
- **PLEASE DO NOT CALL THE SCHOOL.**
