

## Sharing K Information with the PTO!

We are excited to include your family in Schofield's vibrant, active community!!!

The PTO is a dynamic organization at Schofield. These committed parents provide many wonderful events for the community, and support to the school and staff.

Please fill out the information that you are willing to share with the PTO before the fall when the PTO compiles a parent directory. The PTO will add your email to the weekly updates and other PTO news. The information will be used to help make an incoming K parent list to help facilitate new connections & playdates prior to school starting.

***You will still need to completely fill out the Parent Portal information online when it opens in August.***
