

Winter / Snow / Cold Weather Reminder

Unless the temperature is dangerously cold
(e.g. - below 20 degrees
or at the discretion of the office in consultation with major
weather channels.)

or the conditions are unsafe,
children will go outside every day –

- morning arrival
- morning recess
- lunch recess

- Children are expected to wear clothing appropriate for the weather – hats, mittens, jackets and boots, etc. Shorts may not be worn outside.
- When snow covers the ground, children are expected to wear boots and snow pants to play in the snow on the field. (Boots are a good idea on most days.) Children will not be able to call home to get dry clothes.
- Children should bring a pair of shoes to wear inside the building and sneakers for days they have PE. Wearing outdoor / snow boots in the classroom all day can be uncomfortable and is discouraged. Sneakers are required for PE.
