

August

Dear Second Grader,

We are so excited to be your teachers this school year! We are going to do so many fun things, and of course we will learn **A LOT!** We will read lots of books, write our own stories, learn more strategies for addition and subtraction, practice counting money and telling time, and play some really fun math games! We will also learn about different types of habitats, properties and materials, geography and maps.

We hope you had a wonderful summer! We can't wait to hear about it. We had great summers and have been busy getting ready for the start of the new school year.

Our first day of school is **Wednesday, August 27th**. Make sure to get a good night's sleep, have breakfast, and don't forget to bring your water bottle and snack with you to school. Please remember to label everything with your name. We can't wait to see you all and begin our school year together!

Parents, please make sure to set up Pick Up Patrol for the first week of school. Please find the directions [here](#). We will supply most of the materials your child will need for the year. We will also send out a questionnaire separately from this email to get to know you and your family more.

Love,

Mrs. Hale &  
Mrs. Stewart
