

Sprague 4th Grade General Supply List for In-Person Learning - 2020 - 2021

Please note that the Sprague 4th Grade General Supply list below is the most up-to-date!

★ **Two, 1-subject notebooks, 8 ½ x 11 inches** – Please purchase a notebook with a durable polyethylene cover—this is very important because notebooks with paper covers will fall apart quickly. Also, make sure that there are AT LEAST 100 pages in each notebook.

★ **1 pair of headphones or earbuds for your iPad.** Please make sure that they are iPad compatible.

★ **One roll paper towels**

★ **One bottle antibacterial hand soap**

★ **One container of disinfectant wipes**

We understand that these items are in very high demand, so they may be hard to come by. If you have any these items that you can spare, we would be very appreciative!

Due to Covid-19, we will not be able to share classroom materials, so we are requesting that each student has a “personal toolkit” for in-person learning. Please keep in mind that throughout the year you may need to replenish certain supplies in the toolkit. Please make sure that you have the following items as part of your “personal toolkit”. In addition, it is not necessary to bring in any supplies that are not listed below.

- ⇒ **A small pencil case (with zipper)** – this will need to fit in your desk/cubby with many other items, *so please make sure that it is not very big!*
- ⇒ **1 pack of thin markers or colored pencils** (*with the pencils already sharpened*)
- ⇒ **mechanical pencils** – mechanical pencils will lessen the need for sharpening. Please make sure that the lead is **0.7mm thick**, similar to these: [Bic Mechanical Pencils](#)
