

Summer 2021

Hello!

Welcome to 3rd grade! We're so excited that we'll be working together this year. We can't wait to learn all about you as a student and a person. We'll do lots of great things together this year as we explore Massachusetts, weather, butterflies, fractions, and lots of interesting projects including PBL (Project Based Learning). We have one-to-one iPads in 3rd grade so we'll do a lot with technology too.

We've been reading some great books this summer and we hope you have too. Remember to keep track of your reading using one of the checklists on the [Summer Reading website](#). We're headed off to Wellesley Books later this summer to pick out some new books for our classrooms. During the first few days of school we would like to share and discuss some of the different books you read during your summer vacation. Also remember to check out the [Summer Math Menu](#) for some fun activities to keep your math mind sharp over the summer.

We are looking forward to a wonderful school year and getting to know all of you. Please review the important information listed below as well as the attached supply list. Enjoy the rest of your summer!

Sincerely,

Ms. Byrne <byrnej@wellesleyps.org>

Ms. Fiore <fiorek@wellesleyps.org>

Mrs. Lundbohn <lundbohnj@wellesleyps.org>

Important Information...Please Read

****Reading:** Remember to keep reading over the summer and to fill in one of the [checklists](#) on this page. Please bring it on the first day of school.

****Math:** Remember to use the [Summer Math Menu](#).

****Email:** Once you get your class assignment, please ask your parents **to send your teacher an email** so that we can create a class database. They don't have to write anything in the email, we just need their address. Our emails are listed above.

****Arrival/Dismissal:** You will receive information about this before the start of school.
