

Dear First Graders,

Welcome! We are so excited to be your teachers this year. In first grade, we are going to spend a lot of time getting better at reading, writing, math and being great scientists. We will be learning about what it means to be part of a community and what kinds of communities we might find around the world. We will also learn how to work and play together.

We can't wait to see you on Wednesday, August 28! In the meantime, make sure you have your **Summer Reading List Log** in your backpack. You will also need a **snack** on the first day. Please make sure you know your **dismissal plan** for the first day of school. Each teacher will send out a class-specific email during the first week of school.

See you soon!
