

Dear First Graders,

Welcome! We are so excited to be your teachers this year. In first grade, we are going to spend a lot of time getting better at reading, writing, math and being great scientists. We will be learning about what it means to be part of a community and what kinds of communities we might find around the world. We will also learn how to work and play together.

**We can't wait to see you on Wednesday, August 27th!** In the meantime, make sure you have your **Summer Reading List Log** in your backpack. You will also need a **snack** on the first day. Please make sure you know your **dismissal plan** for the first day of school. Each teacher will send out a class-specific email during the first week of school.

See you soon!
