Dear Future Upham Kindergarten Parents,

Welcome to the Wellesley Public Schools and Upham Elementary. It is always exciting for us to welcome you and your child to our school. We share with you the excitement and high hopes you have for your child. You are cordially invited to attend our Kindergarten Parent information zoom meeting on **Wednesday, May 5th at 7:00 p.m.**

Just prior to the opening of school, each kindergarten student will have a chance to walk through the school with their parents, go to their new classroom, and meet their teacher and classmates. Dates and times TBD.

If you have any concerns or questions, please contact us immediately. We are looking forward to fully serving you and your child in the coming years. Welcome to Upham!

Dare To Dream,

Mr. Dees  
Upham Principal
