**Rights of Homeless Students  
And Their Families**

***To go to school, no matter where they live or how long they have lived there.***

They must be given access to the same public education, including preschool education provided to other children.

***To stay in their original or last school even if they move to another district.***

Homeless students have the right to stay in the school they attended prior to the loss of housing, or to remain in the school they were last enrolled, unless the parent or unaccompanied youth chooses otherwise. This is called the "school of origin".

***To get transportation to their original school.***

School districts must arrange transportation for students in homeless situations so that students can stay at their school of origin, even if students move to a different city, county or school district.

***To immediately enroll in a new school.***

Homeless students who move and wish to enroll in a new school where they are situated while homeless may attend classes immediately, without proof of residency, immunizations, school records or other papers, and without a uniform.

***To automatically receive free breakfast and lunch at a school.***

A shelter worker or parent may contact the school to verify the child's homelessness. The school must immediately begin providing meals based on verification.

***To receive Title I services.***

***To receive all the educational supplemental services that all other children are provided.***
