

SCHOOL COMMITTEE CONFERENCES, CONVENTIONS, AND WORKSHOPS

To provide continuing in-service training and development for its members, the School Committee encourages the participation of all members at appropriate Committee conferences, workshops and conventions. However, in order to control both the investment of time and funds necessary to implement this policy, the Committee establishes these principles and procedures for its guidance:

1. The Committee shall be made aware of appropriate educational conferences, conventions and workshops. The Committee will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the school system.
2. Funds for participation at such meetings will be budgeted for on an annual basis. When funds are limited, the Committee will designate which of its members would be the most appropriate to participate at a given meeting.
3. Reimbursement to Committee members for their travel expenses will be in accordance with the travel reimbursement policy.
4. When a conference, convention, or workshop is not attended by the full Committee, those who do participate will be requested to share information, recommendations and materials acquired at the meeting.
