

## **BUILDINGS AND GROUNDS MANAGEMENT**

The School Committee's most important function is to provide for the education of children, and it recognizes that the education of children is dependent upon many factors, including a proper physical environment that is safe, clean, sanitary, and as comfortable and convenient as the facilities will permit or the use requires.

The supervision over the care and safekeeping of property used by the school department will be the general responsibility of the Superintendent. The Facilities ~~Maintenance~~Management Department, working on behalf of the ~~School~~-District and ~~School~~-Committee, will develop a comprehensive and well-defined plan for the proper maintenance, cleanliness, and safekeeping of all school buildings and grounds to ensure that each school is equally well maintained, equipped, and staffed.
