

Invitation for Bids Proposal #2022-01

WELLESLEY PUBLIC SCHOOLS

New 14 Passenger Multifunction School Activity Bus (MFSAB)

RFP ADDENDUM #1 – Response to Questions

1. Page 1 submission deadline says November 1, but page 3 and elsewhere says October 25; please clarify actual due date.

Response: The bid submission deadline is Monday, November, 1, 2021.

2. Item #46: Will you accept a driver glove box located under the front right dash area? Our manufacturer reserves the area above the driver compartment for electrical panel access.

Response: Yes, we will accept a driver glove box located under the front right dash area.

3. Item #70: Will you accept electrically operated entrance door? Our manufacturer has tested and engineered their entrance door motor to pass a 10-year / 200,000 cycle test.

Response: No, we will not accept an electrically operated door.

4. How immediate is the need on the activity bus? Inventory is extremely low because of the micro-chip shortage. Factory orders may not be delivered for several months ---end of your current school year....

Response: First available. Please provide the anticipated timeline on your bid.
