Recommendation from the WPS Superintendent to the School Committee

Students at Wellesley Public Schools have the opportunity to participate in a wide variety of student clubs and to also attend listening sessions and affinity spaces hosted across the district from time to time. It is important that our WPS students and families are aware that attendance at these clubs and sessions is open to all interested students. Therefore, I would request that the School Committee re-affirm that the District's non-discrimination policy (AC) and the Student Organizations policy (JJA) provide that membership in and attendance at all student clubs, listening sessions, and affinity spaces is open to all.
